WorldBrass has toured throughout Canada, Germany, Italy, Poland, Belgium and Luxembourg presenting a repertoire that is as vast as it is diverse. The New Year's concert which WorldBrass perform every year at the Philharmonie in Berlin is a real highlight of each season both for audience and musicians.

One of the intentions of the ensemble is to expand the range and scope of brass-ensemble music by commissioning new pieces and arrangements. Indeed, all the pieces on the ensembles' latest CD entitled "Originals" were written or arranged for WorldBrass.

In the past seasons WorldBrass gave their highly acclaimed debut at the Festspielhaus Baden-Baden, performed at the Achener Meisterkonzerte, as well as at Weilburger Schlosskonzerte, Mozartfest Würzburg, Kultursommer Nordhessen, the Elbphilharmonie Hamburg, Klosterkonzerte Maulbronn, the Oberstdorfer Musiksommer, in Ludwigsburg, the Frauenkirche Dresden and at the Choriner Musiksommer.
